May 23rd, 2011

Dear Franciscan School Parents:

On behalf of The Bridges Program: Our Franciscan School Early Morning and After School Care, I am happy to be able to provide you with registration materials for the 2011-2012 School Year. Early registration will provide us with vital information that will allow us to plan and properly staff for next year's program.

Within the packet you will find registration forms for the Early Morning Care Program and After School Care Program as well as policies, procedures and fees associated with both.

For the 2011-2012 school year we will continue to offer a full-time or part-time pre-pay option for both Early Morning Care and After School Care. Please note that drop-in care is reserved for last minute, unexpected emergencies only, and is not considered an option choice.

The Franciscan School Bridges Program is committed to providing your children with an extended day of creative and imaginative fun in a loving, safe environment. The upcoming school year will be no exception. Our goal of continued and expanded enrichment will positively affect every aspect of our program. Our talented and dedicated staff will continue to work together toward the common goal of keeping your children happy and healthy until you meet again at the end of the day.

We thank you for your timely return of your Bridges Registration by the noted deadline of Friday, June 10th. We are grateful for your continued support and look forward to welcoming your children as they "cross the bridge" into our program during the 2011-2012 school year.

Sincerely,

Mary Feeley
Head of Bridges
