Dear Friends of Trinity,

The Trinity Foundation is pleased to offer bricks for engraving that will become a permanent part of Trinity Church, Portsmouth, Virginia. The "Trinity Path" will extend from the center walkway to the Narthex. There are approximately 500 bricks for engraving.

The Trinity Path will stand as a living memorial for the past, present and future. All proceeds for this special project will benefit the Endowment of Trinity Church to replace funds used for the church restoration.

We hope you will consider the purchase of a brick to honor or memorialize someone or a special event. An enclosure is included in this correspondence that explains the engraving of the bricks.

The Trustees are excited about our "Trinity Path" and hope that you will take a part in our permanent legacy for Trinity Church.
