To ensure a safe, enjoyable environment for everyone, the information below outlines our guidelines. These are subject to change with or without notice.

- The program is from 3:00 pm – 7:00 pm. During our time, children will sing, make a craft, and watch a Holy Moly Christmas Film.
- Snack (usually Goldfish, Pretzels, Vegetables, Fruit, ect.) with a drink will be provided. If you want to bring your child's snack, you may do so. Snacks must be nut free. Please label anything brought with your child's full name and preparation directions.
- Dinner will be served at 5 p.m. and may be a combination of cheese or pepperoni pizza, sandwiches and another food vendor such as Chick-Fil-A (please verify with facility). If you do not want your child to participate in the dinner that is included, please provide a sack lunch or snacks. Please label anything brought with your child's full name and preparation directions.
- Baby items will need to be provided (wipes, diapers, formula, and baby food). All bags and containers must be labeled.
- Please do not bring your child if they are sick. We will not allow children that are sick to be dropped off; any child that becomes ill during the program will be to be picked up as well.
- All children will need to be signed in and out by an approved parent/guardian each day. A photo ID will be required at pick-up.
- To ensure the safety of all children, volunteers and staff must complete Safeguarding Training and have a background check completed.

Thank you for participating in our Parent's Night Out!
