## Activities:

All classes will participate in free-choice play, as well as art, music, storytime, and, of course, playground time.

*Weather permitting, we will have water play one day each week for ages 2 and above.*

3-, 4-, and 5-year-old classes will have special themes for each week, concentrating on a particular subject and learning about it in depth for 4 days. This theme approach has been very popular with our children in past years.

**Enrollment is limited and  
*First come / First served***

Classes will be set up according to birthdates, with October 16, 2008 being the cut-off date (as in the regular preschool). Depending on the enrollment, there may be some combination classes (*i.e.*, 2/3, 4/5/6). Classes will be based on the first 2 days' enrollment. Subsequent registration will be on a "space available" basis. If requested, attempts will be made to keep same-age friends together, but no guarantees are made in advance.

**Registration begins  
Monday, March 16**

Children currently enrolled and those enrolled for the 2009-10 school year may submit applications plus full tuition to the Preschool Director at any time *after* 9:00 AM on March 16. No waiting in line—just send registration forms to SPP with children or give to Judy or a teacher. Mail-in registrations will be recorded after those delivered in person on the first day.

Registration opens to the public March 19.

**All applications must be  
accompanied by full tuition  
for the weeks chosen.  
No refunds will be given.**
