New Parishioners

Welcome! Please pick up an Information Packet and register as part of our parish family. Various facilities and services are available to our active members, including use of the church for baptisms, weddings, and other sacramental events, as well as parishioner status in parochial schools.

Active membership is determined by the following criteria: Being properly registered for a sufficient period of time; faithful attendance at Mass on Sundays and Holy Days; use of the envelope system in regular support of the parish; and being active in at least one parish program, ministry or organization.

Sacraments

Baptisms, Weddings and Funeral Masses may be celebrated according to the traditional Latin liturgical books (pre-Vatican II) OR the rituals as reformed since 1970. Please contact Msgr. Brovey with any questions.

Baptism: Call the office for information about the Baptismal Preparation Class. Baptisms are *usually* celebrated on the 1st Saturdays of the month at 10:30AM. In order to schedule a Baptism for your child, you must have attended a Baptismal Class within the last two years and have turned in all paperwork to the Church Office.

RCIA: Call Joe Waters for information about adults becoming Catholic.

Marriage Preparation: Call the Church Office at least 9 to 12 months in advance of proposed wedding date about Marriage Preparation Classes and requirements for the Sacrament of Marriage.

Anointing of the Sick: Call the parish office to receive this Sacrament prior to surgery or when gravely ill. **After Office Hours Emergencies: Call 1-866-456-2956.**

Sick, Hospitalized & Homebound: Call the parish office to request Holy Communion when hospitalized or homebound. *Isolation from our parish family by illness, advance age or other circumstances, can lead to loneliness or depression. If you or one of your loved ones will be hospitalized or is homebound due to advance age, let us know. Call the office and Joe Waters will arrange for a visit and Holy Communion. It is important to let us know when someone is released from the hospital to ensure that we transition our contact with a person when they return home.*
