The Mission of Wheaton Academy, *“to nurture growth in students through excellence, relationships and service, to the Glory of God,”* has remained the centerpiece of everything that has gone on at our school since 1853.

We partner with the Christian home and church to produce students who have:

- 1) A personal and vibrant relationship with Jesus Christ,
- 2) Cultivated a thoroughly Biblical Worldview,
- 3) Begun to discover, explore, and practice their God-given gifts and abilities, and
- 4) Acquired the Knowledge, Understanding, and Wisdom necessary for further study and to be prepared to represent the Lord effectively in their life calling.

We offer an aggressive traditional college preparatory curriculum, an innovative January term (with block scheduling, optional trips and internships throughout the world), and comprehensive extra-curricular programs (Performing Arts Troupe, Climbing & Adventure Clubs, Mock Trial Team, Community Outreach, etc., plus Athletics). Yet, the most important element in making a WA education effective is the strong leadership of **“Living Curriculum TeachersSM.”**

We believe Living Curriculum TeachersSM must...

- have a growing and dynamic relationship with Christ,
- be excellent in their field,
- hold high standards, and
- be capable of inspiring a range of students to reach their potential.

Wheaton Academy is characterized by:

- a mature student culture, opportunities for leadership, growing enrollment,
- a beautiful 50-acre college-style campus in a Chicago suburb, strong academic credentials,
- consistently positive parent and alumni feedback, expanding facilities, and
- a personal, spirit-led, focused learning environment.
