

# Annual Flower Basket Sale

This spring the annual flower sale is going to help us get the ball rolling on raising funds for the parking lot project. What could be better than being able to enjoy a basket full of flowers all summer knowing that your purchase is going to help provide a parking space where you can actually see the lines! That can be plowed! That will drain and not leave little lakes! That will no longer have sink holes to mess with your suspension! That can double as a basketball or pickle ball court! So please buy some flowers. Buy several and give one to your mom!
