MORAVIAN DISASTER RESPONSE TO: HURRICANE HARVEY & EXTREME FLOODING IN TEXAS

The Board of World Mission has been following the response of our ecumenical partners, and have been in direct contact with representatives of the Unity of the Brethren Church in Texas, which has several congregations in the Houston area. Moravians have shared heritage with this denomination going all the way back to Jan Hus.

The efforts of the Moravian Disaster Response (MDR) will be in coordination with the Unity of the Brethren. They have asked for time to assess immediate and long term needs. If you are feeling called to help respond, please see avenues for donating and volunteering below. It is our hope to have donations ready to go and sent quickly once a plan of action has been put into place.
