This four-week class starts Wednesday, February 15, 6:30-7:30pm in Room 208. Sign up by circling the letter D on a Communication Card or email the church office at tshoaf@nolandroadbaptist.org for a spot in the class.

One specific area needing immediate attention is related to serving our community which we will partner with our NRBC Global Focus team. Specifically we are seeking a number of men who are willing and available to go out with the church's chain saw trailer. There is a need locally, and at times beyond, to respond to areas where we could serve those in a time of need. We are looking for men to run chain saws or support by providing man power to manually move material such as limbs or debris on an "on call" basis. We are planning a chain saw safety training session Saturday, March 10. If you are interested in learning more or committing to this current need, please indicate by circling the letter C on a Communication Card or by letting Doug Whorton know of your interest. See you on the 25<sup>th</sup>!

We will only pair students with adults of the same gender who have shown interest, attended the "Just One" mentoring training meeting, have filled out an application and have gone through a back ground check. Application forms are located at the Welcome Center. Please sign up today to be involved in this intergenerational time of mentoring, accountability and discipleship.

**There will be a JUST ONE TRAINING MEETING on Sunday evening, January 26 at 6pm in the Connection Café.**

## FROM THE PERSONNEL COMMITTEE...

The Personnel Committee is recommending **Wes Wakefield** for the position of Associate Pastor of Discipleship. A special called business meeting will be held at the end of each service on Sunday, February 19 to allow church members to vote on the call to move Wes into the position of Associate Pastor of Discipleship.
