Friends Family Resource Center

School Supplies Needed

Greyhound Family Resource Center & Youth Services Center

A new school year is gearing up. Our area resource centers will face many families who cannot afford the basic school supplies to help their children get started on the right foot. The Greyhound Family Resource Center & Youth Services Center serves Reidland Elementary, Middle, and High Schools. The Friends Family Resource Center serves Farley Elementary School. Look for the lists in this Sunday's bulletin. Monetary donations are also accepted. Make your check payable to Reidland Baptist Church and note it "School Supplies." Containers will be in the corridor for your supply donations.

Ken's Lakehouse

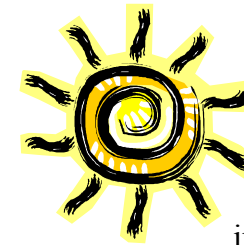

(near Big Bear)

Boys bring chips or desert

Girls bring a 2 liter drink.

Meet you at the church around 8:45! If you can't come until later, contact us and we'll get you directions.

Summer Camp Report

Twelve students braved the heat, being out of their friend comfort zone, and whatever else crazy youth ministers could throw at them this past weekend. They had a blast.

Despite some 93 degree weather, they took on some exhausting team challenges, completed their Bible lessons, and relished in the 300 foot water slide and pool.

In the evening, the coolness of the chapel was welcomed and God's word was taught from Micah 6:8 as we discussed what God requires of us. Five students made first time faith proclamations, with two of those having attended our Upward or Wednesday night programs.

Yet another great camp year and we can't wait to go again, well maybe we can wait until some of these bruises heal and muscles loosen back up.

Thom
