## OUR PROGRAM

Highland Children's Center is privileged to serve children 12 months through 12 years of age. We are a Five Star licensed center that is structured to meet the social, physical, emotional, cognitive and spiritual needs of

children. Our goal is to encourage each child to develop his or her own uniqueness.

We teach and guide children to be successful in school, at home, and in our society, while also preparing them for Kindergarten.

Our curriculum is based off *The Creative Curriculum*®. All activities are developmentally appropriate and are geared to the age and abilities of each child. Each classroom offers a variety of activities in different learning centers such as Science, Math, Blocks, Art, Dramatic Play, Music and more. Play is the natural way of learning for young children and through play, children will be exposed to Kindergarten readiness skills. Children feel secure knowing what to expect on a consistent basis, so there are structured activities planned throughout the day in a nurturing and Christian environment.

## WHAT WE PROVIDE

We provide a Full Day Preschool program from 7:30 – 6:00 and an Afterschool Program for Lacy Elementary from 3:00 – 6:00. We provide a nutritional morning snack, lunch and afternoon snack. In addition to our curriculum in the classroom, the children attend Music, and Chapel once a week. For ages 3 and up, we will be offering a Spanish class once a week starting in the Fall of 2011. We also offer a Pre-K program for children that are 5 years of age that miss the Wake County cut-off date or just not quite ready for Kindergarten.

Summer Camp is offered for children that have completed K-5 from June to August, with weekly themes, exciting field trips, swimming and MUCH more! Call for more information or visit us at:
