

June 21-June 27 Students in Grades 8-10 will have the opportunity to go on a mission trip to Bluefield, West Virginia. While there students will work at the Wade Center. The Wade Center provides summer camps for underprivileged kids during the summer and an after school program during the school year. We will have the opportunity to work with the kids as well as do maintenance work on the facilities. The cost for the mission trip is \$225, a \$50 deposit is due by April 1. More information will be provided as the week gets closer. For more information on The Wade Center go to [www.wadecenter.com](http://www.wadecenter.com)
