

Senior Warden's Vestry Report March 17, 2009 Meeting

"I will with God's help" is the name of the Leader's Guide for our Confirmation Class I am helping to teach. For some reason, this idea is something I need to keep reminding myself. I find myself in the Lenten season needing more than ever to concentrate on the basic concepts of my faith; it seems to help with all that needs our attention now.

The Executive Committee has met twice to discuss the selection of a Nominating Committee and I will make a report to the Vestry. We have a list of names that will be used to choose the committee and a list of areas that need to be represented by people on the Nominating Committee. This will take some time during our Vestry meeting; my hope is that the Executive Committee can come away from the Vestry meeting ready to select the final committee. I will give you more information during our meeting.

The Diocese of Lexington wants us to come into compliance with Canon 30 of our Diocese before letting us get the loan that we have asked for. I will explain Canon 30 and what has been asked of us at the meeting. As of today, the bank is ready to give us the loan. We are waiting on word from the Diocese of Lexington.

Back to the Confirmation Class, we have six people taking the class. We will present our candidates to the Bishop when he makes his visit on May 10th. Because several folks have decided to help teach this year, it is turning into a lot of fun for me. I ask that you keep these people in your prayers as they continue their spiritual journey.

I look forward to our meeting,

Peace,
Duncan Hart
