

"A Desk for Dave"

Finish the Task

Pastor Dave needs a desk. Right now he just has an empty office. There are many other items that we need to furnish the building. With your financial help we can finish the task.

- You can sponsor a needed item in the new building by making a donation during the campaign: A desk for Dave - Finish the Task.
- You can sponsor all or part of an item on our needed items list. Or you can make a donation to go into the general fund, to be used wherever it is needed most in the new building. We have a large list of needed items, and when that list has been completed and all items paid for, we will start purchasing items on our wish list.
- If your first or second choice has already been sponsored, we will contact you to make an alternate choice.

Please complete the donor card and return it to us, in an envelope marked Frank Grolli - "A Desk for Dave", during the services on Harvest Sunday, October 31. On this day we will start giving in faith for the coming harvest of souls that we expect to reap in our new building. Please plan fulfilling your pledge by December 12 (sooner is better so that we can purchase the items before we move in).

Please prayerfully consider how you can help us finish the task. Do what you can – even one chair for a lost person who hasn't walked through our doors yet will be an important contribution.
