*“if you only do what others have already done, you will only feel what others have already felt. If you do something that no one has ever done, then you will have a satisfaction that no one has ever felt.”*

*“When one is choosing a project, if it doesn’t cause fear, then it will become boring and you won’t want to finish. When you have decided what you are going to do, don’t procrastinate. Start now!”*
