First Corinthians

Come along on this journey as we visit the strategically located city of Corinth. Learn how Paul dealt with the erroneous view of the Corinthian church and how he handled the moral problems and divisions that were prevalent at that time. We will learn from the mistakes and successes of a Pentecostal church that was striving to establish itself. Discover how the supernatural gifts of the Spirit can revolutionize your own life. Here we also find the greatest teaching in the Bible about our resurrection. This is going to be an exciting journey.

Shepherding A Child's Heart

This class, based on "*Shepherding a Child's Heart*", by Ted Tripp is for parents of children of any age. You will learn how to effectively lead and guide your children by not only addressing their behavior but the attitudes of their heart. You will learn how to raise children who love God so much that they want to live in obedience to Him (not us!). This course discusses many different Biblical methods, ranging from communication (how to talk to your children and what to talk about) to discipline.

Don't Waste Your Life **Young Adults**

Most people slip by life without a passion for God. They spend their lives on trivial diversions, living for comfort, pleasure, and perhaps trying to avoid sin. This study will warn you not to get caught up in a life that counts for nothing. It will challenge you to live and die boasting in the cross and making the glory of God your singular passion. This course will include short DVD clips and small group discussion. Join us if you are between the ages of 18 - 30. Come and learn how to not waste your life!
