TV TELEPHONE MINISTRY

Several times each year, Billy Graham television specials are broadcast on network stations throughout the United States and Canada, and a toll-free number appears on the screen inviting people to call to begin a relationship with Jesus Christ. Viewers who call this number are eager to talk with someone about the lifesaving power of Jesus Christ. Trained Central Baptist Church volunteers along with others all over the country answer these calls.

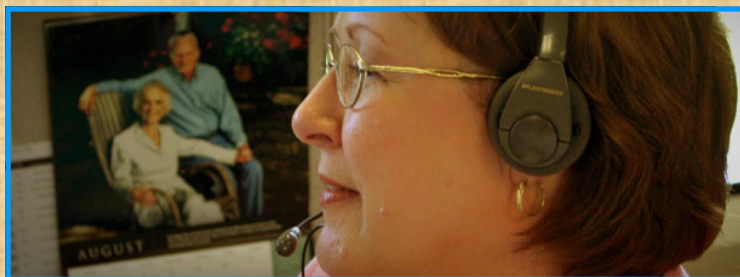

Prayer team volunteers spend time in prayer while phone volunteers take calls. They pray for the phone center volunteers and for the specific needs of each person who calls the phone center. Prayer is such a vital part of this ministry.

Food team volunteers help provide food for all the phone center volunteers.

Many times, volunteers come straight from work and really appreciate having a meal ready for them so they can focus on leading people to Christ.

Other volunteers operate the Call Flow computer, monitoring incoming calls and call times, as well as other tasks. Research and Stats volunteers verify addresses online and complete the necessary paperwork.
