9. Who would you like to be your parish sponsor (*preferably not a relative but someone from St. Paul's*)?

10. Please rank your preference for our gathering time (we've been brainstorming for two reasons: 10 o'clock in the morning is not a 17 years old's brightest hour and confirmation is about making a commitment to way of life not just a way for Sundays).
 _____ 10 – 10:55am, every Sunday (majority of them) through the school year.
 _____ 10 – 11:30am, 3 Sundays a month plus one Wednesday evening a month for a mini-pilgrimage type gathering *We would provide the calendar at the beginning of the year and are assuming that effort would be made to go to 8:45 service on the Sundays we have class and the service of your choice on the off-Sunday.*
 _____ 5:45pm – 7:30pm for "blocks" of Wednesdays – i.e. we'd go for 8 weeks then take a break. We might not do Wednesdays in December. We'd would provide a calendar at the beginning of the year.

I would like to be part of the Catechumenate for this year. I understand that showing up for class on Sunday morning is important, especially if I wish to be confirmed. So *I will do my best* to be there and if I can't make it, I'll email Sally and arrange to figure out what I missed. I get, too, that participating means just that, engaging in conversation and not just giving Sally blank stares, after all, this is my journey and my search and my commitment. I also realize that the things I am asked to do are part of the preparation for confirmation. It's different than school work because this is my choice and so I'm will do them. And finally I'm ready to ask questions, to figure things out, to live with doubt and faith, to make this fun and enjoyable and to take *the search* to a whole new level.

So yep, sign me up, I'm ready for this journey.
