

Director of Student Ministries
Trinity Evangelical Presbyterian Church, Florence, SC

Trinity is looking for someone to coordinate the total spiritual/recreational program for our student ministries. We average 30 to 40 teenagers each week and have tremendous potential for growth in our area. Our program is currently divided into a middle school and high school ministry for our ministry times however we combine our groups for trips and activities.

We are an elder led congregation that allows freedom and leeway to our ministers to head in the direction God is leading them. We hold to Reformed Theology, the Westminster Confession of Faith and the Book of Order of the EPC. There will be great facilities at your disposal, an excellent volunteer base to draw from and a dedicated adult leadership team ready to assist as you cast the vision for the ministry.

We are specifically looking for someone who relates well to teenagers at the church as well as in their natural environments (schools, athletic events, extra curricular activities, homes, etc.) A passion for discipling students in various ways is a must. Also, organizational skills, good program management abilities, a willingness to be a team player and to work well with the leadership are essential.
