"At a time such as we are living in it is vital we should have some fresh understanding of God's great plan and purpose for the world. With the whole world wondering what its future is to be, and what the outcome of our present troubles is going to be we are privileged to look at this revelation and see God's plan & purpose behind it all." Lloyd-Jones Thanks be to God for "the riches of His grace."

Inquirers' Class (begins September 13)

Participants will learn about Trinity's core values, take a look back at her history, learn what it means to put your faith in Christ and find out what church membership involves. Along the way, you'll meet new friends, connect with church staff and even become a church member if that's your desire.
