NECC Meeting

The members of the NECC gathered at the Airport Hilton in Kansas City to have a condensed quarterly meeting and prepare for the seminar. We discussed the book we read this quarter – *If You Want To Walk On Water You've Got To Get Out Of The Boat* by John Ortberg. We had some great worship time together, and we focused on the action of the National Episcopal Cursillo. The NECC spent a great deal of time discussing the finances of the movement and what we can do to improve the bottom-line. A Finance Servant Community has now been formed. This group will report to Gary Rose, the treasurer of the NEC, and will focus on the audit of our books and fundraising efforts.

Other Actions of the NECC

- The committee celebrated the appointment of The Rt. Rev. Alan Scarfe from the Diocese of Iowa as the new Bishop Liaison.
- The final revisions of "The Authentic Three Day Weekend" were presented by the Publications Sub-committee and the booklet will be going to print by the end of the year.
- Seminar sub-committee is working on workshops and presenters for the 2007 seminar to be held in Colorado Springs, Colorado.
- The Cursillo Leaders Development sub-committee stressed the importance of communication to all of the members of the NECC. We were all reminded that our primary responsibility is to keep the lines of communication open between the NECC and all dioceses.
- The Executive sub-committee discussed fundraising and the budget for the coming years.

We said goodbye, with gratitude for their service, to retiring NECC members:
Sharon Neukam, Sue Paisley, Joe Welch, The Rev. Denzil Hinds, The Rev. Tim Goodman.
