## Sew Mosquito Nets

*Join the NetWorkers Malaria Prevention Project*

Share your talents by sewing mosquito nets to save lives in Africa and Central America. Presbyterian Women have completed more than 7,000 nets (40+ here at Unity) in the past 3 years. We have two boxes of kits ready to be sewn. Come and sew a net or learn the basics and take a kit home to complete a net. Bring portable machine or sew on one of Zeta's. You don't have to stay all day. You can drop in at your convenience for as long as you want. Completion takes approximately 2 hours per net.

## June 14, 2007

*Dear Friends,*

Welcome to the new and improved version of Unity News. I hope you like the new format and style we are experimenting with this summer. Let us know what you think.

*Rev. Jeannie Bickett*

Thank you to all who helped to welcome and host our guests from Interfaith Hospitality Network last week. Working together, we can accomplish so much and make a real difference in the lives of our neighbors near and far.

Summer Sunday School is in full swing, and I encourage you to join us on Sunday mornings as adults and youth wrestle with relevant topics in faith and culture, and as our children learn Bible stories and create Jesse tree ornaments. Vacation Bible School is coming up in mid- July, and the deadline for registration is next Sunday, June 17. You can register online at our website, [www.unityfortmill.org](http://www.unityfortmill.org).

Next Sunday, a group from Unity will be leaving for a week at the Montreat Worship and Music Conference. Our prayers go with them as they go to experience inspiring and innovative ways to praise and glorify God in music and in worship.

*In Christ's Service,*

*Jeannie*
