### ***Building Unity with God***

**Come Hop on the Bus!**

From Robin Morris

On Sunday, March 30, we have a very exciting field trip planned for our congregation. I know it sounds a bit unusual to plan a field trip for a church congregation, but I promise you will not be disappointed!

The Campaign Steering Team understands that it is sometimes hard to envision what a new sanctuary may look like so we found a sister church that was designed by WKWW, the architectural firm previously selected by the Building Committee. Therefore, we want you to join us for a short trip to Sharon Presbyterian Church on Sharon Road in Charlotte.

Buses will be available to those who are not able to drive or for those who just want to have fun with other members on the field trip! The Youth Advisors are making plans for the GC's, the Junior High Youth, and the Senior High Youth to ride together on the buses. (Note: Parents, you must complete a reservation form that indicates your youth is planning to ride the bus so we can ensure that we have enough seats for them.) Directions to the church will be provided for families who want to drive. You may even want to carpool with other families so you can talk about this exciting time in the life of our church.

**What we need from you:** each family must complete a reservation form! We need to know how many box lunches to have prepared, how many folks want to ride the bus, how many will drive, and how many families will want to take advantage of the Unity nursery for children under age four.

**A note about times:** the box lunch will be served at 12:15 in the Fellowship Hall at Unity (be sure to make a reservation!); the nursery for children under age four will open at 1:10; the buses will leave Unity at 1:30; the program will start at Sharon Presbyterian Church at 2:00; and we will reload the buses around 3:00 at Sharon.

**A glimpse into the program:** We will talk about the similarities of their sanctuary and our proposed one; we will hear wonderful music from our Chancel Choir in a sanctuary that has great acoustics; and we will have a few special moments with our youth!

I'm sure that you can tell from the tone of my writing how excited I am about this opportunity for our congregation. Please encourage your Brothers and Sisters in Christ to come hop on the bus or the gather together by carpool to join this field trip to Sharon Presbyterian Church!
