

Sing in the Children's Choir

Unity has two choirs for children: the Cherub Choir for 4 year olds through 1st graders; and the Junior Choir for 2nd graders through 6th graders. This is a great way to learn more about how music is so important to your faith and in expressing your love of God.

Help Other People

Remember the "Golden Rule", "Do unto others as you would have them do unto you" as you go through your everyday life. At Unity, there are many ways you can help others, such as participating in Dimes for Hunger, bringing peanut butter and jelly for the Fort Mill Care

Center the first Sunday of each month, selecting an Angel or RAINdeer during Advent, helping out on a Work Day to clean the church grounds, just to name a few!

Give Money

Giving money to the church is an important part of "sharing" God's gifts. When you give money during the offering, that goes to help pay for Unity's many ministries, programs, services, and activities, all of which are done to the glory of God. You will get your own blue offering envelope to use.

Other

Is there something you would like to do that is not listed here? Let us know! Children make great greeters and ushers!

- Children in Worship
- Attend Church School
- Sing in Children's Choir
- Help other people
- Other _____

I can use my money to give:

\$ _____

per week to the church

My Name is:

Directions: Parents and children should read this form together. Complete the section to the left. Detach and return it on Commitment Sunday, Nov. 11, 2007.

For Parents

As you consider how you might share your gifts of time, talent, and treasure, do not forget the important role you have in shaping the adults of tomorrow—your children! Please talk with them about their God-given talents and the importance of sharing those talents. Also, talk about the importance of financial stewardship. The amount of time or treasure your children give is not what is important—it is the act of sharing that is something your children will build on in their lives.

"Hear, O Israel: The Lord is our God, the Lord alone. You shall love the Lord your God with all your heart, and with all your soul, and with all your might. Keep these words that I am commanding you today in your heart. Recite them to your children and talk about them when you are at home and when you are away, when you lie down and when you rise."

Deuteronomy 6: 4-7

For Children

God loves a cheerful giver. And children, just like adults, have God-given talents they can cheerfully share with others. Some of the things children of Unity can do with their talents and their time are listed in this pamphlet. This pamphlet is for you.

Put God First
When you make plans or participate in activities, do you consider God? If you put God first, you will think of God and God's plans as you live your life every day.

Share the Good News
Do you proudly tell others of your belief in God? Are you comfortable telling another about your faith in God? God wants you to let others know that you believe in God and God's never-ending love for you.

Pray
You do not have to be in church on Sunday to pray. Have a quiet time every day when you can have a conversation with God. Give thanks, ask for guidance, and really listen in your heart and mind.

Participate in Worship
Coming to church to worship with the entire congregation is a very important part of being a Christian. You are welcome in worship, and there is even a special part of the worship service especially for children.

Children in Worship
After the Children's Sermon in both worship services, children ages 4-6 are invited to participate in this very special program. Children are taught Bible stories using interactive props. This program allows young children to learn about the importance of worship and to prepare for appropriate worship in church.

Attend Sunday Church School
Church School on Sunday mornings is a great place to learn more about the Bible, God and your faith. This is also a wonderful time for fellowship with children who are your age.
