

***A VIEW FROM THE RECTORY WINDOW***

As you may recall, at all the Masses this past weekend, I invited you to participate in some opportunities offered by our Parish family to grow into a greater experience and living of our Faith tradition. I framed this invitation by expressing how blessed we are that in the last few weeks over 1200 young men and women of our Parish family have begun a new year of religious education in order to deepen their own relationship with our Lord. While we celebrate that grace granted to our young people, it never hurts to be mindful that there is much we can learn from our children.

As an example, I share with you what happened as I was visiting some of the classes in our Parish Religious Education Program; I asked, 'And why is it necessary to be quiet in church?' One bright little girl replied, 'Because people are sleeping.' Wisdom comes in all shapes and sizes!

*Monsignor Peter Joyce*
