Dear Parents,

We will soon be planning our P.R.E.P. program for the 2009-2010 calendar year. It is important that you return your Registration forms as soon as possible. These registration forms help us plan for the personnel, resources, class counts, books, etc. that make for an effective program.

We are revising the P.R.E.P. Tuition Fees for next Year.

The tuition fees are as follows:

One Child: \$100.00      Two Children: \$180.00      Three Children: \$240.00  
Four Children: \$240.00 + \$25.00 for Student Textbook

There will be no First Communion and/or Confirmation Fees for next year.

All fees are due on or before July 1, 2009. After July 1<sup>st</sup> a \$25.00 late fee will be imposed. A payment slip and envelope are attached for this purpose. All payments are to be sent to the rectory. If you are experiencing financial difficulty, please contact Sister Denise. Please do not let this stop you from registering your child for classes.

Parents are entitled to know what their P.R.E.P. Tuition Fees include. Your fees include expenses for the following services: Stipend for the Director of Faith Formation, Stipend for the Assistant Coordinator of Religious Education, salary for the full-time secretary, office supplies, copiers, phones, mailings and communication materials, catechist workshops, pro-rated heating and utility bills, food and refreshments for student sacramental and retreat programs, student textbooks and classroom supplies, teacher supplies, etc.

We also want to inform all parents of our Confirmation schedule. Students presently in Level 7 will be confirmed in November, 2009. Students in Level 6 will be confirmed in the Spring of 2011. Students in Level 5 will be confirmed in the Spring of 2012. A separate letter has been sent to the parents of our Level 5 and Level 6 students regarding the revised Confirmation program.

Kindly return your registration forms to the P.R.E.P. office as soon as possible. Thank you and God bless you!

Sincerely in Christ,

Rev. Kenneth J. Johnston

Dear Parents,

We write regarding a change in our Confirmation program. This will affect your children who are presently in Level 5.

In previous years, we have been confirming our Level 8 students in the Fall. Many of these students do not return for our Post-Confirmation (Food-Fun-Faith) or Level 8 program. This is a real pastoral concern for us. We believe, especially for Level 8 students, that we should provide every opportunity for their spiritual and moral growth. Level 8 students are faced with more complex and varied moral choices in today's environment. Working with you as parents, we want to help them make sound moral decisions. Our revised Level 8 program will provide the time and resources to help them continue to learn about their Catholic faith, as well as opportunities for Christian service. Consequently, our present Level 5 students will be confirmed in the Spring of 2012. Therefore, they will begin their formal Confirmation preparation program in Level 7.

It is important that as you speak to your children you take a positive, spiritual approach in discussing our revised Confirmation program. Your support and cooperation is very important.

Thank you in advance for your understanding and cooperation!

God bless you and your loved ones!

Sincerely in Christ,

Rev. Kenneth J. Johnston
