We know that your college years can be a whirlwind of papers, exams, and social events (not to mention the whole deciding the course of your life thing). Sometimes, it is nice to have a church community to help support you along the way.

The College Department at Wieuca is a group made up of students from colleges all over Atlanta, and some even a little further away. We meet weekly for Sunday School, but also regularly for fellowship and service projects.

If you would like information about any of the upcoming events, to get additional information about our College Ministry, or to find out about the shuttle that picks up GA Tech students on Sunday mornings, please contact Shelley.

Shelley Woodruff is the Pastoral Resident for Single Adults and College Students. Please contact her if you have any questions about how to get more involved with the college ministry.
