- **Please be ready to minister: confess your own sins to God and ask Him to use you mightily!**
- **If possible, sit on the end of the row in order that you can come up front easily**
- **During the last verse of the Closing Hymn come around the back and stand up front by the pillar near the thermostat**
- **At the end of the hymn stand in front of the piano**
- **Each member of the team should pray for each need. As the Lord leads use discernment to instruct and exhort when necessary**
- **After the last person has left please stay up front another minute or two to be certain that everyone has come forward**
- **Do not hesitate to get the ministry supervisor or an elder if you feel the situation requires it.**
- **If you're unable to serve please switch assignments with someone on the schedule and then notify Brian or Jolee of any changes.**

Thank you! We are grateful to God for you and hope you are blessed in this ministry.
