                  Literacy ConneXus ESL Coordinator, Teacher Trainer & Ministry Consultant

Because the majority of Texas ESL adult students in the majority of church ministries are beginners, the emphasis is on teaching that level. Due to time allotted for this training, references to higher levels will be limited but many of the same techniques used for beginners are also appropriate for the higher levels. Higher level teachers who have never attended a basic workshop will benefit from this training. Keeping in mind this training is aimed at new volunteer teachers, trained & experienced ESL teachers are also welcome to attend.
