

**Responsibilities of a Host Church**  
**Dallas Cup Hospitality Center (March 29 – April 2, 2010)**

**Location: First Baptist Church, Frisco, 7901 Main Street**  
**Frisco, TX 75034**

*Prior to Dallas Cup*

- Please ask your church to pray
  - For safety for the teams, coaches, fans, Dallas Cup staff and all volunteers.
  - That God would be honored through the hospitality center ministry.
  - That people will hear the Gospel in their heart languages and accept Jesus as their Savior.
- Select your day, time of service, and meals by completing the online church sign-up form ([www.dba.net/evangelism](http://www.dba.net/evangelism)) or by calling Carolyn Alston, 214-319-1166. (See meal choices below; you need to prepare 200 servings).
- **Your church team leader should attend the volunteer orientation meeting on Thursday, March 11, 2010, at 10:00 a.m. at First Baptist Church, Frisco.**  
This is an important meeting because team leaders will tour the facility, meet other volunteers, and make final preparations for your church's day of service.
- Shift times are 9:15 a.m. until 2:00 p.m. or 1:30 p.m. until 7:00 p.m.

On your day of service:

- In addition to the meal, bring plates, napkins, cups, plastic ware, a large canister of drink mix, a roll of paper towels, and plastic gloves to wear while serving.
- Bring a team of 5-10 people.
- Arrive on time with food pre-cooked and prepared as much as practical (you will have access to a kitchen).
- When you arrive, sign in at the volunteer table and put on volunteer badges. Read and sign the volunteer code of ethics if you have not done so previously.
- Familiarize yourself with the building: restrooms, dining area, kitchen, game room, prayer room, gym.
- Go to the kitchen and begin preparing to serve your meal.
- Check the dining area and game room periodically to clean tables and pick up trash. No food or drinks are allowed in the game room. Check restrooms.
- A prayer room is located near the gym. Use slow times to pray for the hospitality center ministry.
- Take photos, chat with guests. HAVE FUN!
