

Most people love giving a gift that makes a difference in someone's life.

As we move into this Christmas season, we will look at how God gave us His best gift in Jesus Christ so we can live in relationship with Him. Use this reading guide to help you become a better giver of your financial resources for the purpose of changing lives and receiving God's blessings! The subject of giving is found throughout the Old and New Testaments. Over the next three weeks we are going to learn how to grow our heart for giving three full sizes!

Think through these questions as you read each passage.

1. What can I learn about my financial resources?
2. How do these verses apply to: Prioritized Giving? Proportionate Giving? Passionate Giving?
3. As a result of what God is teaching me, is there anything I need to: Start doing? Stop doing? Continue doing?
