

# Heaven on Earth Reading Guide

Heaven is a place that few people think about. As you read through the reading guide, look for different aspects of heaven. Notice that the authors focus on heaven and how it should change the way we live on earth. If you have never tried journaling, try it. Go buy a small journal or notebook and write the date down each day before you start reading. As you read, write down any prayers, questions, or insights to God. Just write a little each day. You will be amazed at how much more you retain!

*As you read each scripture, consider these questions:*

*\*How should this encourage me?*

*\*Is there anything I need to start doing?*

*\*Is there anything I need to slow down and think about?*

*\*Is there anything I need to be warned about?*

*\*Is there anything I need to stop doing?*

*\*How can I pray in regards to what God is teaching me?*
