

Philosophy

Main Street Preschool and Parents' Day Out programs nurture each child spiritually, physically, socially, emotionally and developmentally.

All children have their own rate and pattern of growth.

Our hope is to help them develop habits and share experiences that will

provide the best foundation possible for their future development.

We therefore strive to provide quality learning in a happy and relaxed environment.

As a Christian program, we seek to foster in every child an awareness of God's love for them and of their special place in God's world.

"And whoever welcomes a little child like this in my name welcomes me."

Matthew 18:5 NIV

Main Street Preschool Program 2010-2011

Our Preschool program enrolls children ages 2 through 4 as of September 1 of the current school year. Each class has age appropriate guidelines and curriculum goals and every child's individual progress is tracked throughout the school year. To view the curriculum guidelines and goals, and for more information, please contact the preschool director.

Our Preschool children will enjoy art, music and movement, playground activity, and monthly chapel. They will learn Bible stories and songs of faith as well as seasonal stories and songs that teach them more about God's beautiful world and His amazing love for all of us.

Our 4's class is taught by a certified PreK teacher and includes a 4 hour day that gives the children plenty of time to learn and play, and be ready for Kindergarten at the end of the school year!
