

**Message: How to Stand in a Chaotic World**

**Text: Daniel 3:8-18**

**Preacher: Gilbert Fields**

The only way that we can impact this world for Christ is to live in such a way that demands an explanation. In the midst of confusing times in our personal lives, our government, our schools, and among the faithful, we need to stand on a sure foundation. We must pass the test!

How did God's men succeed in the midst of chaos?  
They are examples of how respond as believers.
