

The Purpose of the *We Give, God Builds* Campaign

God has given Liberty the vision to grow and reach all people for Christ. Our vision is not to build buildings or raise money. However, buildings and money, like other resources, are necessary to carryout ministry and fulfill God's vision. The *We Give, God Builds* campaign is a non-threatening way for Liberty to secure funds to achieve its vision for the future. Our goal is to give three million dollars to construct a multi-purpose ministry building. The campaign is a simple program for sacrificial giving. At Liberty we do not merchandise or beg outsiders to finance God's ministry. We follow scripture by freewill cheerful giving, and by giving as God has given to us.
