

What Happens in Bible Study ...

What are you up to on Thursday morning? Or on Wednesday night? Lots of your friends and church family girls are at a Women's Bible Study! We enjoy a lesson and fellowship ... we pray with and for each other ... and, most importantly, we grow in the Lord ... and THAT doesn't "stay in Bible Study!" We are to carry His Word out into the world, and that's just what a Women's Bible Study can equip you to do – reflect the whole heart of God to a world loved by God!

Here are some comments from some of the girls who recently joined us in study ...

"It's great spending time with the women I see in church and getting to know them better." – Bitsa Romer

*"This is time for me – to grow closer to my Lord, to get to know other women at Windwood, to learn and have fun! It's my weekly time to recharge before going back to my life of raising 4 kids and working outside the home."
– Laurie Willimann*

"I love making a commitment to the Lord by having a study to complete each day. It brings me closer to Him and the women of Windwood." – Courtney Davis

*I feel closer and more intimate with God.
– Charlotte Smith*

"... where better to meet people if you are new and form friendships? We eat, pray and talk about families. What fun!" – Valerie Hollingshead

"It makes me more focused when I'm reading God's Word and I get so much out of it by discussing it with other women of Windwood. They are wonderful to spend time with." – Cathy Clark

The wonderful fellowship of the ladies and prayer-partnering help meet our needs as we struggle for a more complete spiritual life. We are blessed. – Nan Brown
