Columbia, SC 29224

God's Storehouse is pre-selling Fraser Fir Christmas Trees for the 2008 season. Please support this fund-raiser for a very worthwhile benevolent Christian crisis organization.

The Fraser Fir Christmas Tree is often called the "Cadillac" of trees. Produced primarily in the Blue Ridge Mountains, this tree catches the eye with its shape and fullness. Its ability to retain its needles and fragrance far exceeds other trees. Another unique feature is the resilience or "give" of its needles, making contact by children or others less discomforting.

Those wishing to order a tree must make a 50% deposit by **Nov. 9th**. A commitment will be made to our grower at that time so that all trees will be freshly cut right before their delivery to Columbia. Your balance of payment will be due at the time the tree is picked up.

Trees will be available for pickup at Spring Valley Baptist Church at 91 Polo Rd. on the following dates & times –

**Saturday November 29th 9am to 5pm**

**Sunday November 30th 2pm to 5pm**

**Saturday December 6th 9am to 5pm**

**Sunday December 7th 2pm to 5pm**

Attendants will cut and trim the tree for you and enfold it in netting as well as place the tree on your car or truck.

**An immediate refund will be available if you are not satisfied with the selection.**

All trees are Grade A and priced competitively with lot prices. Because God's Storehouse is a non-profit organization, you will pay no sales tax and can claim 40% of the price as a charitable donation. You will receive confirmation of your order (by email if you provide an address) and pickup reminder.

\*\* If you use an artificial tree and do not need a tree, please consider making a donation to God's Storehouse to be used at Christmas to help a needy family. All cash donations are welcome and greatly appreciated. \*\*
