

SVPC Capital Campaign Follow-Up in Full Swing

(Anonymous Donor Makes Offer of Up To \$50,000 Match)

As of November 4th, one hundred and thirty four (134) households in our congregation have pledged over \$908,000 toward our goal of \$1,100,000 for the Capital Campaign. The Follow-Up Phase (final phase) of the Campaign is now underway.

The Campaign Committee recently received a wonderful and generous offer. A member has offered to make a personal pledge of up to \$50,000 toward the capital campaign as a matching gift to those households who respond during this Follow-Up Phase. The specific offer is this: for those SVPC households who make a pledge to the Capital Campaign between now and November 30, 2008, this member will match their completed pledge dollar for dollar. For example, your 3-year pledge of \$5000, once paid, will become \$10,000.

If you have not yet made your pledge, please consider doing so prior to November 30th. Pledge Forms and are available on the SVPC website or by calling Terry Valentino at the Church Office. 803-788-3589 or tvalentino@svpc.org.

Pledge Payment Period: November 1, 2008 – October 31, 2011

Payments begin November 1. Thank you for all your support!
