September 9, 2021

Dear Friends,

I'm delighted to provide you a preview of our 2022 Gratitude Campaign.

Every message in our campaign this year begins and ends with Gratitude. As you explore our weekly reflections and participate in our parish-wide small group meetings, I hope you will have fresh opportunities to see that everything we receive and everything we give comes from God, and we are blessed with more gifts than we can ever know.

This year especially, I am so very grateful for all the ways our church family has shared our gifts of prayer and presence—and, of course, time, talent, and treasure. Together, we have met incredible challenges and found common paths to share in worship, ministry, and fellowship. Thank you.

It's my hope that this year you will experience God's Grace and Gratitude in your own life and as part of the St. Boniface family. And, in so doing, you will receive the gift of deeper relationship with God.

God bless you,

A handwritten signature in blue ink that reads "Wayne F. Farrell". The signature is written in a cursive, flowing style.

The Very Rev. Wayne F. Farrell, Rector

P.S. All we ask of you is to prayerfully consider how the blessings have flowed between you and St. Boniface and the community this year.

---
