## Identifying Quality Childcare”

Join us for a presentation on the elements of true quality in a childcare setting. Dr. Richard Aubry gives a detailed look at what matters most in preschool settings; what we should look for as parents and guardians, and what childcare centers should demonstrate and deliver for every preschool child.

Saint Boniface Episcopal Church Community Center  
5615 Midnight Pass Road, Siesta Key, Florida  
Wednesday, March 24, 7:15 PM

Dr. Aubry is the director of the St. Boniface Preschool on Siesta Key and the fourth speaker in the St. Boniface Preschool Speaker Series focusing on early childhood issues. Dr. Aubry earned a M.Ed. in elementary school administration and an Ed.D in early childhood education from the University of Virginia. He has taught at the elementary level, served as an Elementary and Middle School principal, Director of Instruction, and Assistant Superintendent for Administration. He has taught early childhood courses for the University of Virginia and Longwood University in Virginia, and has directed numerous childcare centers.

Having trained on the renowned Environmental Rating Scales, now being used in Florida, Dr. Aubry has served as a Regional Coordinator for these assessments in North Carolina and has been a presenter at numerous early childhood conferences throughout the United States.
