“Every generous act of giving, with every perfect gift, is from above...”

– James 1:17

Dear Friends,

Let us Gather in Gratitude!

God provides us an abundance of blessings—more than we could ever understand or know. Here at St. Boniface, He has blessed us with a loving community and a beautiful church, from the sanctuary to the furthest corner of the campus. For this, we give thanks!

Our gratitude campaign theme is **Every Act of Giving**. James reminds us that everything we receive and everything we give comes from God. So how do we share our gratitude? Through worship and thanksgiving, through participating in our ministries, and through sharing our talents and resources. This transformative process of receiving and giving is grace in action in our lives.

The Gratitude Commission and Vestry invite you to join us at one of our upcoming Grateful Gatherings. Together, we will **Gather in Gratitude**, and celebrate all that makes St. Boniface special, and the gift of fellowship we have in each other.

On behalf of the Gratitude Commission and the Vestry,

Chris and Prill Nugent
