Dear Ms. Danner:

You made a difference in the lives of children and their families today, by once again donating to the Healthy Families Program at The Florida Center for Children and Family Development. Vice President, Debbie Keyso, informs me that your donations of backpacks filled with school supplies, valued at \$2400, will surely assist our little ones when they start kindergarten this fall.

As we have expressed on other occasions, your investment enhances specific and necessary services to foster healthy growth for these young children and it strengthens our mission of Building Strong Families...One Child at a Time.

Please keep this written acknowledgment of your donation for your tax records. The interest you share in our agency is exceptional, and we appreciate you.

Sincerely,

Kathryn Shea
President and CEO
