*With joyful hope in uncertain times,
let us give for what can be!*

Dear Friend,

You are invited to a St. Boniface Celebration. “Celebrate what?” you ask. In 2020, in spite of these uncertain times, we have remained connected with one another through streamed services and virtual gatherings and Quarantina concerts. Also, we have made significant commitments to help the hungry and the homeless in our community at large through our continued giving. Now we are ready to celebrate moving forward with our vision for what can be in the year ahead.

We have planned three separate “cottage meetings with a twist” using Zoom (*see note below). Each gathering will be about one hour in length and will provide time for conversations with Wayne, Jonathan, and James about their visions for the future; “surprise” guest speakers; fun sharing of our “St. Boniface and Me” thoughts (enclosed green paper); and even an opportunity for a “screen prize” (virtual speak for door prize).

Please see the flip side of this letter for meeting dates and times, how to sign up for your preferred meeting, and information on Zoom and support for using Zoom.

Hope to “see” you then.

Suzanne Gregory
Senior Warden and Members of the St. Boniface Vestry

Saint Boniface Episcopal Church

Meeting Dates and Times

The dates and times for the group gatherings are as follows:

Tuesday, October 27, 7-8 pm

Wednesday, October 28, 11-12 am

Thursday, October 29, 2-3 pm

How to Sign Up for Your Preferred Meeting

Select the meeting that best suits your schedule and register in one of these ways:

Call the church office, 941-349-5616

Email Lisa Wolf at lwolf@bonifacechurch.org

Go to the church website (www.bonifacechurch.org) and search "cottage meetings."

Remember:

- Be sure to provide the church office your email address when signing up, as shortly before your chosen meeting the church office will email you a link to allow you to join in.
- You are asked to fill in your "St. Boniface and Me" page before the meeting so we can share with one another while we are gathered.

*** Zoom Support Info**

Zoom is an easy way, even for those not very techno-savvy, to meet together. You may use your computer, laptop, notebook, or phone. You may choose to see and be seen, to hear and be heard, or not. Help is easily available by calling the church office and requesting a call from a member of the Zoom Support Squad. Don't hesitate since six months ago very few of us knew about this virtual means to meet.
