

Why we Come Together

We treasure worshipping here, in this beautiful setting. We enjoy the friendships we have made. We are grateful for the adult education classes, where we are encouraged to be intellectually curious and questioning. —*Allen and Mary I.*

I come here because I like my friends, the youth group and because I've come here since I was a baby. —*Elise M.*

My family came to Saint Boniface largely because of the music program. Personally I participate in the Hand Bell Choir, but as the audience to all else, I feel the music department works hard and successfully to tie the music together with all the other aspects of our liturgy throughout the year, and especially during the holiday seasons. —*Kathie H.*

We strive to live the life of Christ's teachings, serving others with love and compassion. Worship at Saint Boniface strengthens our call to outreach. —*Ron and Holley S.*

Almost every day of the week I'm involved with something here — Sundays with the Choir, Tuesdays with Bridge and Education for Ministry, Wednesdays at Wonderful Wednesday and Choir practice, and Friday with the Men of Boniface for breakfast and Bible Study. Time with friends in these groups is so fulfilling, and I find myself growing as a Christian. My life at this accepting and inclusive parish is so rich! —*Fred C.*
