

# Reaching out to Emma E. Booker Elementary School

Childhood is tougher than it should be for many of the nearly 540 kindergarteners through 5<sup>th</sup> graders at *Emma Booker E. Elementary School* on Martin Luther King Way. 97% of the students are from low income homes. Daily challenges such as access to meals and other basic needs make it difficult for many of these children to remain enthusiastic and curious about learning.

***You can make a difference!***

The caring and qualified teachers and staff at Emma E. Booker welcome your gift of any — or all! — of the learning tools and personal items on the wish list below for the students.
