What special gifts and opportunities could you offer a student of ASU? (e.g. can tutor in a subject, would let them do laundry in our home, enjoy cooking for others, etc.)

Are there any special family times/rituals to which you would especially like to invite a student on a regular basis? (e.g. Tuesday dinner)?

Have you adopted a student before? Yes No

Name _____ **Year Adopted** _____

Would you like to re-adopt this student? Yes No

(If you have responded 'no' to the above question, please be assured that this is not seen as a negative reflection of your experience. It is assumed that you may like to share a 'parenting' experience with another student and share your gifts.)
