A BETH MOORE DVD STUDY
FOR WOMEN

HERE AND NOW...

THERE AND THEN

A LECTURE SERIES ON REVELATION

Here and Now...There and Then by **Beth Moore** is a lecture series on the book of Revelation. Beth presents many points of view, allowing women to decide for themselves when the interpretation varies among scholars. She teaches that God is as specific about what He does reveal as He is about what He does not reveal. Each of the 11 sessions is approximately 1 hour and 15 minutes.
