## An Experience in Prayer with Dr. Terry Teykl

A time for building  
bridges that build  
community

---

Central & North Central  
Districts

February 13, 2010  
9:00 am to 3:00 pm

---

Our DSs share . . .

As we try and build our new District / Community together, there is no better place to start than by sharing a day apart gaining tools that will help us grow closer to God and to one another through prayer.

Both Laity and Clergy will experience God's presence, connect with one other, and build relational bridges that will last a lifetime.

Dr. Teykl is a personal friend and an excellent leader. He will help us to "rethink" prayer and to learn how to incorporate prayer as an interactive ministry in our churches and in our new Districts. I hope you will come and share in this vital experience with us.

Prayer is the glue that holds everything together!

*Dr. Frank J. Beard*  
*North Central District Superintendent*

As a student of John Wesley, I am often drawn back to our venerable founder's writings.. The following quote came at the end of a day when Mr. Wesley had worked, met with several persons, and he had done some healing at his every Friday practice of healing the sick.

Reflecting on the day, Wesley wrote in his journal: "...I am convinced that God does nothing but in answer to prayer."

On February 13, we will sit at the feet of another man who has prayerfully walked through life – Rev. Terry Teykl. I am really looking forward to this *Inaugural Event* which will bring together persons from the (New!) North Central and Central Districts to focus on prayer!

Won't you please join us to discover God's prayer power at work in your life?!

*M. Bert Kite*  
*Central District Superintendent*

## Let us introduce Dr. Terry Teykl

Dr. Teykl holds a Bachelor of Arts degree in English from Sam Houston State University where he graduated summa cum laude. He earned his Master of Theology at Perkins School of Theology at Southern Methodist University and his Doctorate of Ministry with honors from Oral Roberts University.

Terry has been a pastor for 27 years. He has a burden to produce quality prayer resources that teach people how to pray with purpose and understanding, and how to make prayer exciting. Out of this burden have come many resources to guide people as they pray.

He is married to Kathleen and they live in Houston, Texas. Their two sons and two daughters are grown and have blessed the family with several beautiful grandchildren.

Dr. Teykl has authored several books including:

*Making Room to Pray*

*Pray the Price*

*Blueprint for the House of Prayer*

*Outside the Camp*

*Acts: 29*

*Preyed on or Prayed For*

*How to Pray After You've Kicked the Dog*

*The Presence Based Church*

Cost of the event includes  
lunch and materials.

\$25.00  
per person

(Cost is the same if you join  
us for lunch or not.)

*Scholarships (4) are available  
through the Central District  
Office on a first come basis.  
Contact us for more information.*

*Please keep this event in your  
prayers as we seek to build  
community and experience  
God's presence in our new  
conference.*
