Slow Me Down, Lord
Slow me down Lord!
Ease the pounding of my heart
By the quieting of my mind.
Steady my hurried pace with a vision
Of the eternal reach of time.
Give me amidst the confusion of my day,
The calmness of the everlasting hills.
Break the tension of my nerves with the
Soothing music of the singing streams
That live in my memory. Help me to know
The magical restoring power of sleep.
Teach me the art of taking minute vacations, of
Slowing down to look at a flower,
To chat with an old friend or make a new one,
To pat a stray dog, to watch a spider build a web,
To smile at a child, or to read from a good book.
Remind me each day that there is more to life
Than increasing its speed.
