Revelation, the last book of the New Testament, is probably the most misunderstood book of the Bible because it abounds in unfamiliar and extravagant symbolism. The Book of Revelation had its origin in a time of crisis, but it remains valid and meaningful for Christians of all time. Join us in a Catholic approach and understanding of the book. The Revelation study is authored by Dr. Scott Hahn and Mark Shea. Lectures by Father Matthew Kauth.

**Register by completing the info form below. Check the Wednesday or Thursday class on the form. Material fee is \$42, per study manual, due at the time of registration. Scholarships are available by request. Return the form and fee to the parish office.**
